

Travelers 2011 Picks

The players picked here may or may not be the best players in the world. The players chosen either finished in the top 20s or better in recent events or finished in the top 20 at the Travelers tournament over the past 5 years.

Webb Simpson – Simpson is coming off 2 solid finishes and should be carrying some momentum from his 14th place finish at last week's US Open.

Bubba Watson – Last year's Traveler's champion and he's finished 6th and 14th to go along with his win. However, he hasn't finished inside the top 40 in his last 4 events played.

Brandt Snedeker – Snedeker is coming off 3 straight top 20 finishes including an 11th place finish at last week's US Open. However, his best Traveler's finish is 47th.

Bo Van Pelt – Another "hot" player with a 14th place finish at the US Open last week to go along with 2 top 10s in 5 starts at the Traveler's.

Hunter Mahan – Mahan has 3 top 5 finishes in his last 4 starts at the Traveler's event, including a win. However, Mahan missed the cut last week at the US Open.

Fredrik Jacobson – Jacobson seems to be playing steady golf lately and played well at the US Open with a 14th place finish.

Kevin Chappell – Chappell hasn't played at the Traveler's before, but his recent finishes indicate a positive trend, missed cut, 37th finish followed by 3rd at the US Open.

Ricky Barnes – Barnes has a top 20 finish in his most recent event and a top 5 finish in last year's Traveler's championship.

Brandt Jobe – Jobe has 2 top 25 finishes in his last 3 starts including a 23rd place at the US Open last week and a 2nd place finish at the Memorial tournament.

Nick Watney – Although Watney missed the cut at the US Open last week, he posted top 10 finishes in the 2 events he played prior to the US Open.

Zach Johnson – This could be a break through week for him as he's posted a couple of top 30 finishes in his last 2 events and prior to those had a couple of top 15 finishes.
