

Puerto Rico Open Picks 2012

The Puerto Rico Open picks are based on recent performance and historical performance at the event. Picks can be verified by checking out the statistics page on the web site.

Michael Bradley – Bradley has won this event twice over the past 3 years. And he's on a trend.

Jeff Overton – Overton is on a trend and has played well at this event in the past.

Troy Matteson – Matteson finished 2nd at this event last year and is on a trend. When Matteson starts playing better, he can rack up top 10 finishes for a few weeks at a time.

Kevin Stadler – Stadler's recent finishes and his history at this event bode well for a strong finish here.

Henrik Stenson – Stenson has played well recently and finished in the top 30 at the Puerto Rico Open last year.

Vaughn Taylor – Taylor has back to back top 20 finishes in his most recent 2 events played.

Brandt Jobe – Jobe is on a trend and finished in the top 10 here last year.

Dicky Pride – Pride has back to back top 10 finishes and is one of the hottest players in the field.

Peter Uihlein – Uihlein is on a slight trend, but at some point he'll get a top 10 or win, maybe a while, but it could be here.

J.B. Holmes – Holmes is sort of a big fish in a little pond here and could do well.

Others to consider, in no particular order:

Matt Every, Russell Knox, Brendon de Jonge, Ben Curtis, Kevin Streelman, Derek Lamely, Patrick Sheehan, Hunter Haas, Steve Flesch, Kris Blanks, Brian Davis
