

Harbour Town Picks 2012

Harbour Town picks are based on recent performance and historical performance at the event. Picks can be verified by checking out the statistics page on the web site. Others to consider are based on other various factors, stats, etc.

Luke Donald – Donald didn't have a great week at The Masters last week, however, he plays Harbour Town well, 3 top 5 finishes over the past 3 years played. Plus, he's still the number 1 ranked player in the world.

Bo Van Pelt – Van Pelt has finished inside the top 20 for 3 straight tournaments played. On Sunday at Augusta last week he tied the final round course record.

Matt Kuchar – Kuchar notched his 4th top 10 in a row at the Masters last week. He doesn't have the strongest record at Harbour Town, but finished 7th in '08.

Jim Furyk – The last time Furyk won this tournament he was coming off a missed cut at the Masters and he was angry at his poor play at Augusta. This time however, he's been playing well and somewhat back to Furyk-esque form. He should contend this week.

Aaron Baddeley – Baddeley is on a bit of a trend and played Harbour Town well over the past 5 years, 22nd his worst finish. He also won this event in '06.

Brandt Snedeker – Snedeker won at Harbour Town last year is on a 2-event trend, 63rd to 19th at the Masters last week.

Jason Dufner – Dufner could be a stretch after having a not so good weekend at Augusta last week. If he could pick up his weekend play a bit, he'd be winning in bunches.

Jeff Overton – Overton has 2 top 5 finishes and 2 top 20 finishes over his last 5 tournaments played, he's relatively hot.

Ernie Els – Els seems to be slowly but surely regaining some of his older form, when he used to contend week in and week out. Els has 2 top 5 finishes and a 12th in his last 3 tournaments played. Not the best record at Harbour Town, but a 2nd in '07 could help. He also may be more motivated to win since he failed to qualify for the Masters this year.

Others to consider, in no particular order:

Bill Haas, Bud Cauley, Harris English, Pdraig Harrington, Rickie Fowler, Kevin Na, Boo Weekley, Ricky Barnes, Brian Davis, Bryce Molder, Geoff Ogilvy, John Huh, Stewart Cink.
