

Honda Picks 2012

The Honda picks are based on recent performance and historical performance at the event. Picks can be verified by checking out the statistics page on the web site.

Tiger Woods – He's still Tiger Woods.

Rory McIlroy – McIlroy is one of the hottest players, if not the hottest player in the field.

Lee Westwood – Westwood has been playing well lately and finished 9th in 2009.

Keegan Bradley – Bradley is another player who is playing well lately and based on his rise up the World Rankings over the past few months, his cut last year can kind of be overlooked.

Ben Crane – Crane has a few top 10 finishes over his last 5 starts and also has finished 12th and 3rd in his last 2 starts at the Honda.

Kyle Stanley – Stanley has been playing well over his last few starts and finished 24th last year at his only Honda appearance.

Louis Oosthuizen – Oosthuizen is another player who's had a good run over his last 5 events, with 4 top 10s, including a win.

Jimmy Walker – Walker has back to back top 10s coming into the Honda. Walker also has some good rounds at the Honda, but not strong finishes.

Sang-Moon Bae – Bae is on a trend and finished 5th in his last start at the match play.

John Huh – Huh could win back to back?
